Little, Brown & Company, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. The next heartwarming romance in this USA Today bestselling series proves it's tough to resist a sexy cowboy with a Texas drawl and heart of gold! Includes a bonus short story, "A Wedding on Lavender Hill" by Annie Rains! Taggart Baker has always lived life on the edge, making the country song, "Live Like You Were Dying," his motto after his best friend died in a motorcycle accident when they were eighteen. But after one bad brush with the law, he realized it was time to grow up. Now he's looking thirty in the eye and running his own ranch next to the Longhorn Canyon spread in Texas. Still, no one would ever call him tame. Trauma nurse Nikki Grady likes life slow and steady. She has too much drama in her job to want a man who's only going to create more headaches. But when her best friend's younger brother shows up in the ER after a bull-riding accident, something in his haunting crystal clear blue eyes draws her to him like flies to honey. The more time they spend together, the more Nikki begins to relish the idea of his cowboy in her life forever. But just as Tag is ready to ditch his wild ways for good, his past comes calling, threatening not only their love, but their lives. Includes the bonus story "A Wedding on Lavender Hill" by Annie Rains! When an event planner is asked to create the perfect wedding in just three days, she must turn to the last person she wants to ask for help - the infuriating owner of the house on the hilltop.
